Packaging : 12 pieces / box X 6 = 72 pieces / case **(Each glove sold separately)**

Applications : PrimaCut 69-510 is the ideal glove to wear against accidental knife blade cuts. For cut protection, the glove can be worn by itself, or as a liner underneath any other type of glove. Applications include:

- Meat cutting and deboning
- Food Processing
- Handling of sharp edge materials
- Food and beverage handling

Product Features :

- Excellent cut resistance level 5 (EN 388)
- Seamless, flexible and soft for more comfort
- Elasticized knit wrist with different color serging at the wrist for easy size identification
- Machine washable and re-usable for more cost-efficiency

Storage & Handling : Store in original packaging at room temperature under roof away from direct sunlight and moisture. Machine wash in cool or warm water and hang to dry. For food applications, note that a disposable glove can be worn over this product.

Caution : **Note that this product is cut resistant and not cut proof. Avoid using with moving or serrated blades.**

Special Notes : Although reasonable care has been taken in the preparation of this document, no warranties are extended and no liability is assumed. The information is solely provided as a general guideline for product use and care. It is up to end-users to make their own determination as to the suitability of the product for their own intended purpose(s).
