**Packaging:** 6 pairs x 8 bags = 48 pairs per case

**Applications includes:**

- Steel and sheet metal fabrication and handling • Automobile assembly • Wire and cable handling • Glass handling • Construction and construction carpentry • General handling of sharp and abrasive objects and surfaces • Carry-Outs • Bottle Breaker • Loading & Unloading • POS - Cash Handling \* POS - Touch Screen • Sharp edges handling

**Product features and benefits:**

- ✓ 13-GG nylon shell with black micro-surface nitrile coated on palm and finger tips
- ✓ Ergonomically shaped to the natural curve of the hand
- ✓ Sandy nitrile palm coating for a superior grip in oily conditions
- ✓ Palm fit design provides reduced hand fatigue & improved fit for prolonged usage
- ✓ Lightweight knit enhances ventilation keeping hands cool and dry in colder damp environments
- ✓ Affordable cut resistant gloves for practically every application
- ✓ Soft fibers offer excellent flexibility and dexterity. Latex free
- ✓ Oil preventative & oil resistant (in some cases). Withstands 95% glue type varieties
- ✓ Lightweight knit enhances ventilation keeping hands cool and dry in colder damp environments
- ✓ High abrasion resistance along with comfort and dexterity
- ✓ Nitrile thumb crotch reinforcement to reduce wear in critical areas
- ✓ Contains HPPE in its composition for impressive comfort and tactile sensitivity
- ✓ Sandy nitrile palms for excellent grip in wet and oily conditions
- ✓ **Attuned to all kinds of capacitive touch screen devices including but not limited to Smart Phones and iPads**

**Special Notes:** While this product is cut-resistant, it is not cut proof. Its use is not recommended with moving or serrated blades. Although reasonable care has been taken in the preparation of this document, no warranties are extended and no liability is assumed. The information is solely provided as a general guideline for product use and care. It is up to end-users to make their own determination as to the suitability of the product for their own intended purposes.

**Storage & Handling:** Store at room temperature under roof away from direct sunlight and moisture. Machine wash in cool or warm water. Tumble dry at the lowest temperature setting or hang to dry.
